

# HOST A BARREL FOR SECURE THE CALL.

## Secure the Call needs your help.

As more and more people request our free emergency phones, our need to collect more used phones grows along with it.

**That's where you come in.** Secure the Call has developed a new permanent collection barrel that both promotes the program and allows everyone with a used and unwanted cell phone to participate.

Our goal is to find a permanent home to 1,000 barrels throughout the Washington Metro area. With your help and the generosity of the community, we'll be able to continue to provide a cell phone to anyone who needs a phone in the case of an emergency.

## IDEAL LOCATIONS FOR THE BARRELS ARE:

- ✓ **Public Locations**  
(such as Police Stations, Libraries, Fire Stations and Community Centers)
- ✓ **Office Buildings**
- ✓ **Retail Stores**
- ✓ **Churches and Synagogues**
- ✓ **Large Companies**

If you know of a place that could host a barrel, give us a call at (301) 891-2900. In addition to the placing of the barrel, we can assist in advertising and spreading the word about the barrel location and our program of collecting and redistributing phones to the community.

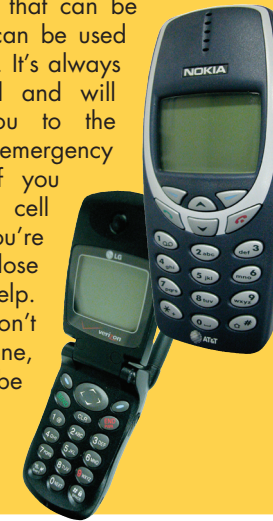

Thanks to you,  
the program works!

# DONATE YOUR CELL PHONE FOR A SAFER COMMUNITY

Welcome to **Secure the Call**, a program designed to collect old cell phones and after a little work, redistribute them to those who need a cell phone for the purpose of calling 911 in the event of an emergency.

Any phone that can be turned on can be used to call 911. It's always a free call and will connect you to the nearest emergency operator. If you have a cell phone, you're always close to getting help. But if you don't have a phone, you could be in trouble.

## That's where Secure the Call comes in.

Our goal is to make available a cell phone to anyone who needs one. And best of all, the program is free. The phones are yours for the asking.

**Secure the Call** is a coalition of over 300 organizations including Police and Sheriff's departments, Battered Women's Shelters and Senior Citizen Centers. Donating a phone to us makes a phone available to the entire community.

Call us at (301) 891-2900 or visit [www.securethecall.org](http://www.securethecall.org) to find out how to donate your old phone. Together, we can help thousands of local citizens feel safe and secure. **Thanks to you, the program works!**

There are over 150 million used cell phones sitting in drawers and closets in the USA. These phones could help tens of thousands of our citizens feel safe and secure by converting them into 911 emergency-use cell phones. Donate your old cell phone and we'll put it to a great use.

Send your old cell phones (as well as batteries, chargers and accessories if available) to:

**Secure the Call**  
6930 Carroll Avenue, Suite 400 - Takoma Park, MD 20912

Don't forget - your cell phone donation is tax deductible! Visit our website at [www.securethecall.org](http://www.securethecall.org) to download a donation acknowledgement form.
